Welcome to

Parlor Social Club

Parlor is a new way to socialize. Members enjoy a thoughtfully-curated calendar of online and offline events and an opportunity to connect with each other through our mobile app. Parlor members come from a variety of backgrounds creating a balanced mix of creatives, professionals and tastemakers.

Who you know matters.

The Community

Parlor members are a diverse collective of thousands of individuals who excel in their respective fields. They value open-mindedness, intellectual curiosity and appreciate high quality in all of their endeavors.

As a member, your social calendar and connections are personalized according to your selected interests within culture, business, and health and wellness.

No fixed location

Parlor is a reinvention of the social club experience. Our mission is to cultivate the best social life for our members to enjoy. To do this, we often partner with various cultural and professional organizations.

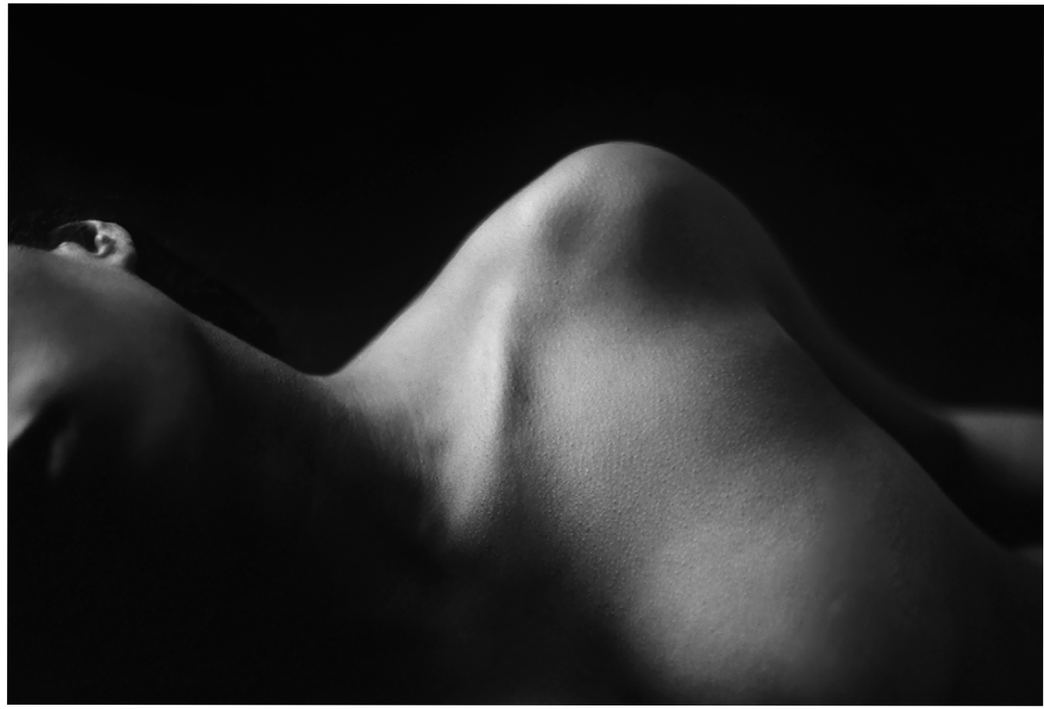

Member Mixers

In addition to curated events, Parlor regularly organizes mixers exclusively for members, providing opportunities to socialize in a comfortable setting.

“
I suspect we will enter
a new golden age of
social clubs.

Two Pricing Options

Premium and Standard memberships offer distinct advantages. Premium membership gives access to more in-demand activations, the ability to connect with other Premium members, and an expanded guest list.

Invite Guests

Members can expect multiple curated happenings and member mixers every week, from intimate gatherings to special access to larger events. Most of them are open to members and their guests.

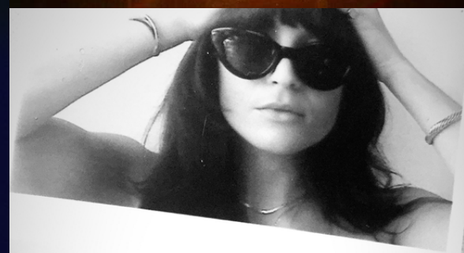

Community Circles

You'll have the option to join a range of Circles—intimate clubs within Parlor—which cultivate more focused interactions between members. Circles are themed around specific interests such as Health and Wellness, Foodie, Creatives, Entrepreneurs and more.

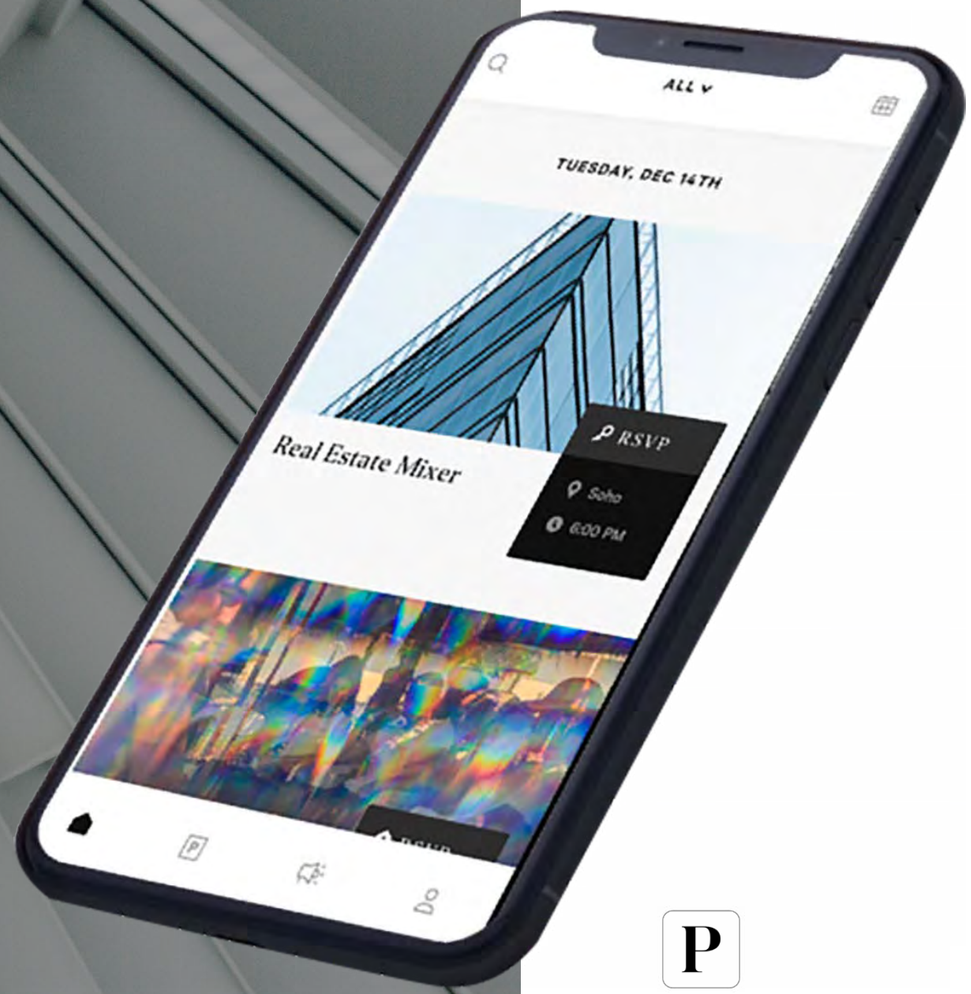

Member Portal

Members have access to the Parlor platform through the streamlined mobile app.
The member portal is the gateway to the full, curated social calendar, as well as a way to connect with other members.
